

These visualizations are representative of design intent and the preliminary layout of site elements. These elements will be further refined as the design progresses. The final selection of site elements such as lighting, planting, and paving, as well as materials, colors and finishes, will be determined during final design. Trees and plantings are shown in an established and mature state.

At Interchange 3:

- SB I-81 off-ramp to WB E Genesee St will be widened to provide access to both WB and EB E Genesee St
- WB E Genesee St to NB I-81 on-ramp will be lengthened
- Existing I-481 loop ramp to EB Route 5 will be replaced by the widened SB ramp to both WB and EB E Genesee St
- Route 5/92 and Route 92 will be widened near Lyndon Rd/E Genesee St intersection
